

# Additional Snippets

Last Modified on 09/02/2022 8:51 am PDT

To supplement the set of snippets available within the editing interface, you have access to more snippets for advanced uses. Because these snippets are not available through the  tool, you can refer to this documentation and copy-and-paste the code from this article into the editor.

 **HEAD'S UP:** Due to the higher level of impact that these items have on university content, additional snippets can only be accessed by [university](#) users. [Contact Us](#) for assistance.

## Call Outs

### Blockquote (Pull-Right)

### Call Out Box

Call Out Boxes are used to draw attention to an important piece of information. Useful for showing errors, warnings, or general info. The line for defining additional CSS classes allows for applying background colors or icons.

```
<table class="ou_callout_box" style="width: 100%;"><caption>Callout Box</caption><thead><tr><th>bg-green icon-info</th></tr></thead><tbody><tr><td><p>Text inside callout.</p></td></tr></tbody></table><p>&nbsp;</p>

## Source Code

### Randomized Page Heroes

By using the Page Hero Randomizer page property, the hero image will pull from a folder containing large and small sized jpegs. All new Landing Page Templates will get this property and it is only available to admins. Use this code to add the property to older pages:

```
<parameter name="page-hero-randomizer" group="CLU Admins" prompt="Page Hero Randomizer" alt="Enter a folder path that contains random hero images. This will override the standard page hero if set."></parameter>
```

The folder you specify should be within that section's folder and contain sub folders for large and small sizes. For example, if you are setting up a randomized hero for School of Management, the folder in the property would look like the below example — this is where the two folders for large and small are located:

```
/management/images/heroes/
```

### Social Media Tags

Add to ouc:properties/config of an existing PCF.

```
<!-- Social Media --> <parameter section="Social Media Tags" name="share-title" group="CLU Admins" prompt="Sharing Title" alt="Title used for OG Tags and Twitter Cards"></parameter> <parameter name="share-description" group="CLU Admins" prompt="Sharing Description" alt="Description used for OG Tags and Twitter Cards"></parameter> <parameter name="share-img" group="CLU Admins" prompt="Share Image" alt="Image for Sharing. (1200 x 630 pixels, JPEG)" type="filechooser"></parameter>
```
