

# Social Media Feeds

Last Modified on 09/02/2022 9:13 am PDT

You may notice that some departments and units at Cal Lutheran have a social media feed embedded into their section of the website. If you have an account that posts regularly and represents your services well, you may want to consider adding a similar feed to your Landing Page.

## How to Embed a Social Media Feed

Currently, social media feeds on the CalLutheran.edu website are only available for Instagram accounts — but you can check back in the future when accounts on additional platforms may become available.

If you would like to embed an Instagram feed into your section of the website, please [Contact Us](#) with the details of your request. You can also specify whether you would like the feed to include all posts from your Instagram account or only posts with a specific hashtag.

 EXTRA INSIGHT: Check out the below pages on the CalLutheran.edu website to see examples of social media feeds in action:
